

SHALLOW LAKE SKATING CLUB

RETURN TO SPORT PROTOCOL

Shallow Lake Skating Club has implemented this Return to Sport Protocol to comply with the minimum requirements for return-to-sport protocols for skaters who have sustained a concussion or are suspected of having sustained a concussion during training, practices or competition in accordance with Rowan's Law and the regulation made under that Act. This Return to Sport Protocol is consistent with Skate Ontario and Skate Canada's protocol and policy.

Application

These protocols will be enforced at all Shallow Lake Skating Club events, activities and programs.

This policy applies to:

- All skaters, officials, coaches, clubs and skating schools
- All participants that include:
 - Individuals
 - Parents/guardians
 - Persons who interact with skaters, all defined as skater support personnel, including but not limited to team leaders, referees, medical/licensed healthcare professionals, paramedical or any other person working with, treating or assisting a skater or other individual
 - Persons employed by or engaged in activities, competitions, and programs with and/or hosted by Shallow Lake Skating Club including but not limited to, directors of the Board, officers, employees and event volunteers of the Club
 - Spectators

Everyone involved in sports, including athletes, parents or guardians, coaches, team managers, officials, teachers and licensed health-care professionals, can play a role in helping to prevent, identify and manage concussions. Definitions

Concussion:

- is a brain injury that causes changes in how the brain functions, leading to symptoms that can be physical (e.g. headache, dizziness), cognitive (e.g. difficulty concentrating or remembering), emotional/behavioral (e.g. depression, irritability) and/or related to sleep (e.g. drowsiness, difficulty falling asleep)
- may be caused either by a direct blow to the head, face or neck, or a blow to the body that transmits a force to the head that causes the brain to move rapidly within the skull
- can occur even if there has been no loss of consciousness
- cannot normally be seen on X-rays, standard CT scans or MRIs
- can result in symptoms that are evident immediately or may evolve and persist over the course of hours, days or even months.

Designated Person:

At each event, activity, or program, Shallow Lake Skating Club will name a "designated person" who will have the following responsibilities:

In accordance with Rowan's Law, under the Removal-from-Sport Protocol for Shallow Lake Skating Club the designated person(s) is/are responsible for ensuring that:

- A skater is immediately removed from further training, practice or competition if the skater has sustained a concussion or is suspected of having sustained a concussion, regardless of whether or not the concussion was sustained from a sport activity associated with the Club

- If in the opinion of the designated person(s), there is an emergency and/or any red flag signs and/or symptoms appear – including those resulting from a suspected concussion, call 911;
- Removal of the skater from further training, practice or competition; and if the skater is under 18 years of age, the parent or guardian is informed of the removal;
- The skater, or the parent or guardian if the skater is under 18 years of age, is advised that the skater is required to undergo a medical assessment by a physician or nurse practitioner before the skater will be permitted to return to training, practice or competition according to the Return-to-Sport Protocol
- A skater or, if the skater is under 18 years of age, the skater's parent or guardian receives the Removal-from-Sport and Return-to-Sport Protocols for Shallow Lake Skating Club as soon as possible after the skater's removal
- Once removed, the skater is not permitted to return to training, practice or competition, except in accordance with the Return-to-Sport Protocol;

In accordance with Rowan's Law, under the Return-to-Sport Protocol for Shallow Lake Skating Club the designated person(s) is/are responsible for ensuring that:

- A skater who has sustained a concussion or is suspected of having sustained a concussion does not return to training, practice or competition until permitted to do so in accordance with the Return-to-Sport Protocol
- When a skater has not been diagnosed with a concussion, the skater is only permitted to return to training, practice, or competition if the skater or, if the skater is under 18 years of age, the skater's parent or guardian provides confirmation to the designated person(s) about the outcome of the skater's medical assessment, specifically that the skater:
 - has undergone a medical assessment by the physician or nurse practitioner and has not been diagnosed as having a concussion, and
 - has been medically cleared to return to training, practice or competition by a physician or nurse practitioner
- When a skater is diagnosed by a physician or nurse practitioner as having a concussion, the skater is not permitted to move on to unrestricted training, practice or competition unless the skater or, if the skater is under 18 years of age, the skater's parent or guardian provides a confirmation of medical clearance by the physician or nurse practitioner to the designated person(s)
- A skater is not permitted to return to training, practice or competition through the graduated Return-to-Sport steps unless the skater or, if the skater is under 18 years of age, the skater's parent or guardian has shared the medical advice or recommendations they received, if any, with the designated person(s)
- When a skater is diagnosed by a physician or nurse practitioner as having a concussion, the skater or, if the skater is under 18 years of age, the skater's parent/guardian has been informed of the importance of disclosing the diagnosis to any other sport organization with which the skater is registered or school that the skater attends
- The regulation states that a designated person(s) may rely on the information received from a skater or, if the skater is under 18 years of age, from the skater's parent or guardian in carrying out their responsibilities under Return-to-Sport Protocol

The following individual(s) is/are recognized by Shallow Lake Skating Club as the "designated person (s)" with respect to Removal-from-Sport and Return-to-Sport protocols for Shallow Lake Skating Club
